struggle

verb

Word family: **struggle** **struggles** **struggling** **struggled**

● What it means

To try very hard to do something difficult.

In kid words: Struggle means something is really hard, but you keep trying anyway!

● Teacher models (I Do)

"She used to struggle with reading, but she practiced every day until she improved."

struggle with math **struggle to finish** **a real struggle**

✓ Means the SAME

strive **fight** **labor**

× Means the OPPOSITE

breeze through **give up****surrender**

× NOT examples

It does NOT mean to fail. ***It does NOT mean to not try at all.***

Why we use it

Everyone struggles sometimes, and talking about it helps us get the help we need!

Your turn (We Do → You Do)

I sometimes struggle with _____ but I keep trying because...

intend

verb

Word family: **intend** **intends** **intending** **intended**

● What it means

To have a plan or purpose in mind.

In kid words: Intend means you are planning to do something on purpose!

● Teacher models (I Do)

"He did intend to visit his grandma tomorrow because he had been planning the trip all week."

intend to finish**intend to help****I didn't intend that**

✓ Means the **SAME**

plan**mean****aim**

× Means the **OPPOSITE**

neglect**forget****ignore**

× **NOT** examples

It does NOT mean to accidentally do something.

It does NOT mean to hope something happens by itself.

Why we use it

Intend shows you have a thoughtful plan, not just a wish!

Your turn (We Do → You Do)

I intend to _____ this weekend because...

locate

verb

Word family: locate locates locating located locator location
relocate

● What it means

To find the position or place of something.

In kid words: Locate means to find exactly where something is!

● Teacher models (I Do)

"The zookeeper had to locate the giraffe after it wandered to a different part of the zoo."

locate the answer

locate on a map

locate the missing item

✓ Means the SAME

find

discover

pinpoint

✗ Means the OPPOSITE

lose

misplace

overlook

✗ NOT examples

It does NOT mean to move something.

It does NOT mean to guess where something is.

Why we use it

Locate is more specific than 'find' and is used in maps, science, and everyday life!

Your turn (We Do → You Do)

I needed to locate _____ because...

grasp

verb

Word family: **grasp** **grasps** **grasping** **grasped**

● What it means

To seize and hold firmly; to understand something.

In kid words: Grasp means to grab something tightly OR to understand an idea!

● Teacher models (I Do)

grasp the rope**grasp the concept****a firm grasp**

✓ Means the SAME

grip**understand****comprehend**

× Means the OPPOSITE

release**misunderstand****drop**

× NOT examples

It does NOT mean to barely touch.

It does NOT mean to give something away.

Why we use it

Grasp works for both physical holding and understanding ideas, making it very versatile!

Your turn (We Do → You Do)

I was able to grasp _____ after I...

solve

verb

Word family: solve solves solving solved solver solvable
resolve

● What it means

To find an answer or explanation for a problem or mystery.

In kid words: Solve means to figure out the answer to something tricky!

● Teacher models (I Do)

"The clever students worked together to solve every difficult question on the test."

solve a problem solve the puzzle solve the mystery

✓ Means the SAME

figure out resolve work out

✗ Means the OPPOSITE

complicate confuse
create a problem

✗ NOT examples

It does NOT mean to make a problem worse.

It does NOT mean to give up on something.

? Why we use it

Solve is essential in math, science, and everyday life whenever you face a challenge!

Your turn (We Do → You Do)

I was able to solve _____ by...

particular

adjective

Word family: particular particularly particularity

● What it means

Used to single out a specific one; special or specific.

In kid words: Particular means one exact, special thing, not just any!

● Teacher models (I Do)

"The old man always sat on that particular bench because it had the best view of the garden."

a particular book this particular day no particular reason

✓ Means the SAME

specific certain distinct

✗ Means the OPPOSITE

general random any

✗ NOT examples

*It does NOT mean boring.**It does NOT mean every single one.*

Why we use it

Particular helps you be very specific about exactly which thing you mean!

Your turn (We Do → You Do)

There is one particular _____ that I really like because...

ordinary

adjective

Word family: ordinary ordinarily

● What it means

With no special or distinctive features; normal.

In kid words: Ordinary means regular and not special in any way!

● Teacher models (I Do)

"These stories are far from ordinary because each one takes you on an exciting adventure."

an ordinary day

ordinary people

nothing ordinary about it

✓ Means the SAME

normal

regular

usual

✗ Means the OPPOSITE

extraordinary

unusual

special

✗ NOT examples

*It does NOT mean bad.**It does NOT mean boring or useless.*

Why we use it

Ordinary helps you compare normal things with special things, which is very useful in writing!

Your turn (We Do → You Do)**It seemed like an ordinary _____ until...**

emerge

verb

Word family: emerge emerges emerging emerged

● What it means

To come out from a hidden or enclosed space; to become visible.

In kid words: Emerge means to come out where you can be seen!

● Teacher models (I Do)

"In spring, beautiful flowers emerge from the soil and bloom all over the garden."

✓ Means the SAME

own **have** **hold**

✗ Means the OPPOSITE

lack **lose** **surrender**

✗ NOT examples

giving something away ***not having anything*** ***borrowing from someone***

Why we use it

Possess is a strong word that means more than just 'have' — it shows something truly belongs to you!

Your turn (We Do → You Do)

I possess the ability to _____ because...

determine

verb

Word family: **determine** **determines** **determining** **determined**
determination

● What it means

To find out or decide something with certainty after thinking or investigating.

In kid words: To figure something out or make a firm decision about it!

● Teacher models (I Do)

"The scientist worked hard to determine what caused the volcano to erupt."

determine the answer**determine a plan****determine the cause**

✓ Means the SAME

decide**figure out****conclude**

✗ Means the OPPOSITE

hesitate**wonder****doubt**

✗ NOT examples

guessing randomly**not caring about the answer****giving up**

Why we use it

Determine is a powerful word used in science and everyday life when you need to find a real answer!

Your turn (We Do → You Do)

I had to determine _____ by...

scarce

adjective

Word family: scarce scarcer scarcely scarcity

● What it means

Insufficient for the demand; not enough available.

In kid words: When there is very little of something and not enough for everyone!

● Teacher models (I Do)

"During the drought, clean water became scarce in the village."

scarce resources

scarce water supply

food was scarce

✓ Means the SAME

rare

limited

insufficient

✗ Means the OPPOSITE

abundant

plentiful

ample

✗ NOT examples

*not having zero of something**not being invisible*

Why we use it

Scarce helps you describe when something is hard to find or running low!

Your turn (We Do → You Do)

Something that is scarce in our world is _____ because...

genuine

adjective

Word family: genuine genuinely genuineness

● What it means

Truly what something is said to be; real, honest, and not fake.

In kid words: Something that is real and true, not fake or pretend!

● Teacher models (I Do)

"Her genuine smile showed that she was truly happy to help the new student."

genuine smile genuine friend genuine interest

✓ Means the SAME

real true authentic

✗ Means the OPPOSITE

fake false phony

✗ NOT examples

a trick or lie something pretend a copy that is not real

Why we use it

Genuine helps you describe things that are truly real, which matters when you want to tell real from fake!

Your turn (We Do → You Do)

I can tell something is genuine when...

plead

verb

Word family: plead pleads pleading pleaded

● What it means

To make an emotional appeal or earnest request.

In kid words: When you beg or ask really seriously for something!

● Teacher models (I Do)

"The children pleaded with their parents to let them stay up late."

plead for help

plead with someone

plead your case

✓ Means the SAME

beg

implore

appeal

✗ Means the OPPOSITE

demand

command

insist

✗ NOT examples

*not just asking politely**not ordering someone*

Why we use it

Plead shows strong emotion and urgency in asking for something!

Your turn (We Do → You Do)

I might plead for _____ when...

notion

noun

Word family: **notion** **notions** **notional**

● What it means

A general understanding, belief, or idea about something.

In kid words: An idea or thought you have about something!

● Teacher models (I Do)

"She had the notion that practice would help her improve her spelling."

a strange notion**the notion that****reject the notion**

✓ Means the SAME

idea**concept****belief**

✗ Means the OPPOSITE

fact**certainty****proof**

✗ NOT examples

not a proven fact**not something you can touch**

Why we use it

Notion is a great word for sharing your ideas and beliefs!

Your turn (We Do → You Do)

I have the notion that _____ because...

indicate

verb

Word family: indicate indicates indicating indicated indicator
indication indicative

● What it means

To point out or show something; to be a sign of.

In kid words: To show or point to something so people know about it!

● Teacher models (I Do)

"The dark clouds indicate that a storm is coming soon."

indicate the answer indicate a problem indicate the direction

✓ Means the SAME

show signal point out

✗ Means the OPPOSITE

hide conceal mask

✗ NOT examples

keeping a secret hiding something saying nothing

Why we use it

Indicate is a Tier 2 word you will see in science, math, and social studies — it is very useful across all subjects!

Your turn (We Do → You Do)

The signs indicate that _____ because...

drift

verb

Word family: drift drifts drifting drifted drifter

● What it means

To be carried slowly by a current of air or water.

In kid words: When something floats or moves slowly without anyone pushing it!

● Teacher models (I Do)

"The colorful leaves drifted slowly down from the tall oak tree."

portion

noun

Word family: **portion** **portions**

● What it means

A part or share of something larger; an amount of food served to one person.

In kid words: A piece or part of something bigger, like a slice of a whole pizza!

● Teacher models (I Do)

"Each student received an equal portion of the supplies for the science project."

a small portion**a portion of the land****equal portions**

✓ Means the SAME

part**piece****share**

✗ Means the OPPOSITE

whole**total****entirety**

✗ NOT examples

the whole thing***all of it******everything combined***

Why we use it

Portion helps you talk about parts of things in math, science, and daily life!

Your turn (We Do → You Do)

I only needed a portion of _____ because...

vast

adjective

Word family: vast vaster vastly vastness

● What it means

Extremely large in area, size, or amount.

In kid words: Really, really big — so big it is hard to imagine the whole thing!

● Teacher models (I Do)

"The astronaut looked down and saw the vast blue ocean stretching across the Earth."

a vast ocean vast knowledge a vast desert

✓ Means the SAME

huge enormous immense

✗ Means the OPPOSITE

tiny small narrow

✗ NOT examples

something you can hold in your hand a small room a little puddle

Why we use it

Vast is a short but powerful word that helps you describe anything very, very large!

Your turn (We Do → You Do)

The _____ was so vast that...

request

verb

Word family: request requests requesting requested requester

● What it means

To politely or formally ask for something.

In kid words: When you ask for something in a nice and proper way!

● Teacher models (I Do)

"The student requested extra time to finish the science project."

request permission request a meeting request help

✓ Means the SAME

ask appeal petition

✗ Means the OPPOSITE

demand command refuse

✗ NOT examples

not ordering someone around not taking without asking

Why we use it

Request is a polite and formal way to ask for what you need!

Your turn (We Do → You Do)

I would request _____ from my teacher because...

method

noun

Word family: **method** **methods** **methodist**

● What it means

A particular way of doing something; a systematic approach or procedure.

In kid words: A special way of doing something, like following steps to solve a problem!

● Teacher models (I Do)

"The teacher showed us a new method for solving multiplication problems."

a new method**the best method****a scientific method**

✓ Means the SAME

way**approach****technique**

✗ Means the OPPOSITE

chaos**disorder****randomness**

✗ NOT examples

doing something with no plan***guessing randomly******making it up as you go***

Why we use it

Method is an important word in science — the scientific method is how scientists figure things out!

Your turn (We Do → You Do)

My method for _____ is...

reveal

verb

Word family: reveal reveals revealing revealed

● What it means

To make something known that was previously hidden or secret.

In kid words: To show something that was hidden or secret, like pulling back a curtain!

● Teacher models (I Do)

"The scientist dug carefully to reveal the ancient fossil buried in the rock."

reveal a surprise

reveal the answer

reveal a secret

✓ Means the SAME

show

uncover

expose

× Means the OPPOSITE

hide

conceal

cover

× NOT examples

keeping something secret

covering something up

hiding the truth

Why we use it

Reveal is a dramatic word that makes your writing exciting — it is about uncovering hidden things!

Your turn (We Do → You Do)

I was excited when _____ revealed...

rare

adjective

Word family: rare rarer rarest rarely

● What it means

Not found or seen very often; unusually special or valuable.

In kid words: Something that is very hard to find because there are not many of them!

● Teacher models (I Do)

"The scientist found a rare butterfly that had never been photographed before."

a rare gem

a rare animal

a rare event

✓ Means the SAME

uncommon

scarce

unusual

× Means the OPPOSITE

common

ordinary

frequent

× NOT examples

*something you see every day**something everyone has**something easy to find*

Why we use it

Rare helps you describe things that are special because they are hard to find!

Your turn (We Do → You Do)

I think _____ is rare because...

attempt

noun

Word family: attempt attempts

● What it means

An effort to do or achieve something, especially something difficult.

In kid words: A try at doing something, even if it is hard and you might not get it right!

● Teacher models (I Do)

"On her second attempt, the climber reached the top of the rock wall."

a brave attempt

first attempt

an attempt to climb

✓ Means the SAME

try

effort

bid

✗ Means the OPPOSITE

surrender

quit

refusal

✗ NOT examples

*giving up without trying**not even starting**refusing to do it*

Why we use it

Attempt shows you are brave enough to try something hard — even if you do not succeed the first time!

Your turn (We Do → You Do)**My attempt to _____ was...**

remark

verb

Word family: remark remarks remarking remarked remarkable

● What it means

To say something as a comment or observation.

In kid words: When you say something you noticed or thought about!

● Teacher models (I Do)

"The teacher remarked that the students had shown great improvement."

remark on the weather

remark about changes

she remarked

✓ Means the SAME

comment

mention

state

✗ Means the OPPOSITE

ignore

overlook

silence

✗ NOT examples

not keeping quiet

not yelling angrily

Why we use it

Remark shows you are sharing a thoughtful observation!

Your turn (We Do → You Do)

I might remark that _____ because...

To plan and make decisions about how something will look, work, or be made.

In kid words: To create a plan or drawing for how to make something!

● Teacher models (I Do)

"The engineer will design a new bridge that can hold heavy trucks."

design a building

design a machine

design a costume

✓ Means the SAME

plan

create

draft

✗ Means the OPPOSITE

copy

imitate

duplicate

✗ NOT examples

not building without a plan

not guessing randomly

Why we use it

Design is used in art, science, engineering, and everyday life whenever you plan how to create something!

Your turn (We Do → You Do)

If I could design anything, I would design _____ because...

thrive

verb

Word family: thrive thrives thriving thrived

● What it means

To grow or develop well; to prosper and flourish.

In kid words: When something grows really well and is super healthy and happy!

● Teacher models (I Do)

"The garden began to thrive after the children watered it every day."

plants thrive

thrive in school

thrive under pressure

✓ Means the SAME

flourish

prosper

bloom

✗ Means the OPPOSITE

wither

decline

struggle

✗ NOT examples

*not barely surviving**not staying the same*

Why we use it

Thrive shows something is not just okay but doing really, really well!

Your turn (We Do → You Do)

I thrive when _____ because...

encounter

verb

Word family: **encounter** **encounters**

● What it means

To unexpectedly meet or come across something or someone.

In kid words: To run into something or someone you were not expecting to find!

● Teacher models (I Do)

"The explorers were surprised to encounter a village hidden in the valley."

encounter a problem**encounter wildlife****encounter new cultures**

✓ Means the SAME

meet**discover****come across**

✗ Means the OPPOSITE

avoid**miss****evade**

✗ NOT examples

not planning to meet someone***not looking for something on purpose***

Why we use it

Encounter is useful in stories, science, and history when describing unexpected meetings or discoveries!

Your turn (We Do → You Do)

I once encountered _____ and it surprised me because...

pioneer

noun

Word family: pioneer pioneers

● What it means

A person who is among the first to explore or settle a new area, or who develops new ideas or methods.

In kid words: Someone who is one of the first to do something or go somewhere new!

● Teacher models (I Do)

"Marie Curie was a pioneer in the study of radioactivity."

a brave pioneer

a pioneer in science

the pioneer settlers

✓ Means the SAME

trailblazer

explorer

innovator

× Means the OPPOSITE

follower

imitator

latecomer

× NOT examples

not someone who copies others

not a person who follows the crowd

? Why we use it

Pioneer describes anyone who bravely goes first, whether exploring new lands or inventing something new!

Your turn (We Do → You Do)

I think _____ is a pioneer because...

forge

verb

Word family: **forge** **forges** **forging** **forged** **forged** **forged** **forgive**

● What it means

To create or form something through effort and determination.

In kid words: When you make or build something with hard work and effort!

● Teacher models (I Do)

"The brave explorers forged a new trail through the thick wilderness."

forge a path **forge ahead** **forge a friendship**

✓ Means the SAME

create **build** **craft**

✗ Means the OPPOSITE

destroy **demolish** **abandon**

✗ NOT examples

not finding something by accident **not copying someone else**

Why we use it

Forge shows you are creating something through real effort and determination!

Your turn (We Do → You Do)

I want to forge _____ by...

widespread

adjective

● What it means

Found or distributed over a large area or among many people.

In kid words: Something that has spread everywhere or that many people know about!

● Teacher models (I Do)

"The use of smartphones has become widespread around the world."

widespread use

widespread damage

widespread belief

✓ Means the SAME

common

extensive

universal

✗ Means the OPPOSITE

rare

limited

uncommon

✗ NOT examples

not something only a few people know

not limited to one small area

Why we use it

Widespread helps you describe how much something has spread, which is useful in science, history, and news!

Your turn (We Do → You Do)

Something that is widespread in our school is _____ because...

custom

noun

Word family: custom customs customer

● What it means

A traditional practice or usual way of doing things that is common to a group or place.

In kid words: Something people have done for a long time as part of their way of life!

● Teacher models (I Do)

cultural heritage**protect our heritage****a rich heritage**

✓ Means the SAME

legacy**inheritance****birthright**

✗ Means the OPPOSITE

future**novelty****modernity**

✗ NOT examples

not something invented yesterday***not something no one remembers***

Why we use it

Heritage helps you talk about the important traditions and history that make each culture unique!

Your turn (We Do → You Do)

My heritage is special because...

invention

noun

Word family: **invention** **inventions** **reinvention**

● What it means

A new device, method, or process that has been created for the first time.

In kid words: Something brand new that someone figured out how to make!

● Teacher models (I Do)

"The invention of the printing press changed how people shared information."

a great invention**a useful invention****the invention of the wheel**

✓ Means the SAME

creation

innovation

device

✗ Means the OPPOSITE

copy

imitation

reproduction

✗ NOT examples

*not something that already existed**not something just borrowed from nature*

Why we use it

Invention is a key word in science and history for describing the new things people have created!

Your turn (We Do → You Do)**If I could create an invention, it would _____ because...**

ceremony

noun

Word family: ceremony ceremonies ceremonial

● What it means

A formal event held on a special occasion, often following specific traditions.

In kid words: A special event where people follow certain steps, like a graduation or award show!

● Teacher models (I Do)

"The school held a ceremony to celebrate the students who won science awards."

a graduation ceremony an opening ceremony a wedding ceremony

✓ Means the SAME

ritual celebration observance

× Means the OPPOSITE

informality casualness

everyday routine

× NOT examples

not an ordinary, everyday activity not something done without any plan

Why we use it

Ceremony is useful for describing important events in history, culture, and our own lives!

Your turn (We Do → You Do)

A ceremony I attended was _____ and it was special because...

document

verb

Word family: document documents documenting documented
documentation

● What it means

To record information in written, photographic, or other form.

In kid words: To write down or record something so people can remember it!

● Teacher models (I Do)

"The explorers used journals to document everything they saw during their travels."

document the event document your work document the process

✓ Means the SAME

record chronicle log

× Means the OPPOSITE

ignore overlook disregard

× NOT examples

not forgetting what happened not keeping it all in your head

Why we use it

Document is an important word for research, history, and science when you need to keep a record of what happened!

Your turn (We Do → You Do)

I would like to document _____ because...

attract

verb

Word family: attract attracts attracting attracted attractor
attraction attractive

● What it means

To draw others toward something by being interesting, appealing, or magnetic.

In kid words: To make people or things want to come closer or pay attention!

● Teacher models (I Do)

fiction

noun

Word family: fiction fictions fictional nonfiction

● What it means

Literature that describes imaginary people, places, and events.

In kid words: Stories that are made up from someone's imagination, not real events!

● Teacher models (I Do)

"My favorite genre of fiction is stories about kids who go on magical adventures."

science fiction a work of fiction fiction and nonfiction

✓ Means the SAME

fantasy invention tale

× Means the OPPOSITE

nonfiction fact truth

× NOT examples

does NOT mean a true story does NOT mean a textbook or encyclopedia

Why we use it

Fiction is a key word for understanding the difference between made-up stories and true accounts!

Your turn (We Do → You Do)

The best fiction story I have ever read is _____ because...

genre

noun

Word family: genre genres

● What it means

A category or type of art, music, or literature.

In kid words: A group or type that books, movies, or music can be sorted into!

● Teacher models (I Do)

"Mystery is a popular genre because readers love trying to solve the puzzle."

a favorite genre

the fantasy genre

music genre

✓ Means the SAME

category

type

style

✗ Means the OPPOSITE

miscellany

mixture

hodgepodge

✗ NOT examples

*does NOT mean a specific book title**does NOT mean the author of a story*

Why we use it

Genre helps you describe what kinds of stories, music, or art you enjoy!

Your turn (We Do → You Do)

My favorite genre of books is _____ because...

narrate

verb

Word family: **narrate** **narrates** **narrating** **narrated** **narrator**
narration **narrative**

● What it means

To tell a story or describe events in order.

In kid words: To tell a story by explaining what happens, step by step!

● Teacher models (I Do)

"The famous actor was chosen to narrate the nature documentary about the ocean."

narrate a story

narrate the events

narrate a documentary

✓ Means the SAME

tell

describe

recount

✗ Means the OPPOSITE

listen

withhold

silence

✗ NOT examples

does NOT mean to make up a story from nothing

does NOT mean to whisper secretly

Why we use it

Narrate is the verb form of narrator, and it helps you describe how stories are told!

Your turn (We Do → You Do)

a musical masterpiece

create a masterpiece

her greatest masterpiece

✓ Means the SAME

treasure

classic

gem

✗ Means the OPPOSITE

failure

disaster

mess

✗ NOT examples

does NOT mean any piece of art

does NOT mean something that is just good enough

**Why we use it**

Masterpiece helps you describe the very best creative work someone can make!

Your turn (We Do → You Do)

If I could create a masterpiece, it would be _____ because...

canvas

noun

Word family: **canvas** **canvases**

● What it means

A strong, heavy cloth used as a surface for painting.

In kid words: The special cloth that artists paint on to make their artwork!

● Teacher models (I Do)

"The artist placed a blank canvas on her easel and began to paint a landscape."

paint on canvas**a blank canvas****stretch a canvas**

✓ Means the SAME

surface

material

fabric

✗ Means the OPPOSITE

paper

screen

wall

✗ NOT examples

does NOT mean the paint itself***does NOT mean a finished painting***

Why we use it

Canvas is a great word to know when talking about art and how paintings are made!

Your turn (We Do → You Do)

If I had a blank canvas, I would paint _____ because...

melody

noun

Word family: melody melodies melodious

● What it means

A sequence of musical notes that form the main tune of a piece of music.

In kid words: The main tune of a song that you can hum or sing along to!

● Teacher models (I Do)

"The melody of that song was so catchy that I could not stop humming it all day."

a beautiful melody

hum the melody

a familiar melody

✓ Means the SAME

tune

air

song

✗ Means the OPPOSITE

noise

discord

silence

✗ NOT examples

*does NOT mean the words of a song**does NOT mean the beat or drums*

Why we use it

Melody is the perfect word for describing the part of music that you remember and sing!

Your turn (We Do → You Do)

A melody that always makes me happy is _____ because...

harmony

noun

Word family: harmony harmonies harmonious disharmony

● What it means

The combination of different musical notes played or sung at the same time to produce a pleasing sound.

In kid words: When different musical notes are played together and they sound great!

● Teacher models (I Do)

"The choir sang in perfect harmony, and every voice blended together beautifully."

sing in harmony

perfect harmony

a beautiful harmony

✓ Means the SAME

accord

blend

unity

✗ Means the OPPOSITE

discord

clash

dissonance

✗ NOT examples

does NOT mean singing alone

does NOT mean playing the same note

? Why we use it

Harmony is a wonderful word for describing how different sounds or ideas work well together!

Your turn (We Do → You Do)

I think harmony sounds best when _____ because...

rehearse

verb

Word family: rehearse rehearses rehearsing rehearsed
rehearsal

● What it means

To practice a performance, speech, or piece of music before presenting it.

In kid words: To practice something like a play or song before you do it for real!

● Teacher models (I Do)

"The students had to rehearse the school play every afternoon for two weeks before opening night."

rehearse a play rehearse the song rehearse the lines

✓ Means the SAME

practice prepare drill

✗ Means the OPPOSITE

improvise wing it neglect

✗ NOT examples

does NOT mean to perform on stage for an audience

does NOT mean to write a new song

Why we use it

Rehearse is the word you use when you talk about practicing before a big performance!

Your turn (We Do → You Do)

I would need to rehearse if I were going to _____ because...

chorus

noun

Word family: **chorus** **choruses**

● What it means

A group of singers who perform together, or the repeated part of a song.

In kid words: A group of people singing together, or the part of a song that repeats!

● Teacher models (I Do)
