UNIT 3: Our Past and Present

Directions: Read the passage carefully. Then, read each question and circle the letter of the best answer.

READING PASSAGE: Learning from Ancient Egypt

Thousands of years ago, ancient Egyptians built their communities along the Nile River. The river provided fresh water for drinking, farming, and transportation. Historians have learned about Egyptian life by studying artifacts such as tools, artwork, and written records. Large monuments, including pyramids and temples, also offer valuable clues about how people lived and what they believed. These reliable sources help researchers better understand how ancient civilizations developed over time.

1. Why are artifacts important to historians? (RI5.1)
